

Aditya Choudhary

WEB DEVELOPER | SOFTWARE ENGINEER

Bihar, India | +91-9876543210 |
aditya@example.com

Passionate and detail-oriented Web Developer and Programmer with solid foundational knowledge in Data Structures, Algorithms, and core programming languages including Python and C. Proven ability to build responsive web solutions using HTML, CSS, and JavaScript. Highly adaptable learner eager to contribute to innovative software engineering teams and solve complex real-world problems.

TECHNICAL SKILLS

Languages

Python, C, JavaScript, HTML, CSS

Core CS Concepts

Data Structures & Algorithms (DSA), Operating Systems

Web Development

Responsive Web Design, Basic Frontend Development

Developer Tools

VS Code, Eclipse, Online Compilers

TECHNICAL PROJECTS

Personal Portfolio Website (HTML, CSS)

- Designed and developed a fully responsive personal portfolio website to showcase dynamic projects and skills.
- Structured clean semantic markup and integrated layout designs via external CSS stylesheets.

To-Do List Application (Python, Tkinter)

- Developed a desktop-based task manager application using Python's native GUI framework.
- Implemented features for adding, tracking, and prioritizing daily administrative tasks.

EDUCATION

Bachelor of Technology (B.Tech) in Computer Science

Expected 2027

Relevant Coursework: Data Structures and Algorithms, Software Engineering Principles, Web Programming Fundamentals.

Portfolio • Web Development • Programming • Problem Solving
